Detail of Operations

Nearshore Environmental Survey

Mariners are advised that the M/V Titan Endeavour will mobilise for nearshore survey work on or around 14 November 2011. The vessel will operate from Scarborough Harbour.

The survey duration is estimated at 14 - 21 days. Operations will be conducted during daylight hours only. The start and end times of work will vary with the tides.

During the survey the vessel will be deploying sediment grab sampling and seabed photography equipment from an A frame at the stern. No equipment will be towed behind the vessel.
